

INNOVATION & EXCELLENCE AWARDS

Statement of Engagement

This document warrants that the team of *(name of team leader and school)* _____ engaged *(name of LGU/ NGO)* _____ in identifying local issues and concerns to build a wireless application that may be used for community development initiatives.

The interaction with the said LGU/ NGO is part of the requirements for submitting an entry to the 6th SWEEP Innovation and Excellence Awards of Smart Communications, Inc. (SMART).

By submitting and signing this Statement of Engagement, the undersigned understands that if it is determined that he, she or they did not comply with the requirement, the prize award shall be revoked.
