

Statement of Innovation

This certifies that _____ (title of entry), submitted as an entry to the 6th SWEEP Innovation and Excellence Awards competition is:

- Designed solely by the undersigned entrant(s) in consultation with a faculty/mentor;
- Not included in the short list of previous SWEEP competitions;
- Not copied from any of the shortlisted entries in previous SWEEP competitions; and
- Not copied from any other existing wireless applications;

By submitting and signing this Statement of Innovation, the undersigned agrees that should non-compliance with any of the aforesaid provisions be determined, any prize/award received shall be revoked and the undersigned may be subject to legal action.
